Dear Parents/Guardians,

20th September 2018

Reception Library Visits

During this term all three reception classes will have the opportunity to visit the local Stanground Library which is an important part of our local community and links with their curriculum topic of 'The World Around Us'. There are three different dates/times for each visit so that only one class will be on the visit at any one time. Please see over for the dates your child's class will be participating.

They will walk to the local library for a session led by library staff, we believe this is an excellent local community link giving children the chance to borrow books for pleasure. There is no charge for applying for a library card and we attach an application form since we do want all children to be able to access the library, please return a completed application form to the school office by **Tuesday 25th September**. At this time of the year the weather is very unpredictable so please make sure your child has suitable outdoor wear for the walk. For this visit we do not need a separate permission since you have already signed one for local visits.

P.T.O
