

Brian Rush

Brian has lived in Stanground for over 35 years. He is married to Rita and is a father and grandfather.

After leaving Old Fletton Secondary Modern School, he joined Baker Perkins as an apprentice. He retired in 2014 after working all of his life as a mechanical engineer.

Brian has served as a Peterborough City Councillor representing Stanground for over 20 years. He has served on many committees.

Over the years he has been involved in many local community organisations including Stanground Community Association (SCA), Italian Community Association (ICA) and Cardea Community Sports Association (CCSA).

Brian has been a governor at Southfields since the year 2000 and feels strongly the importance of giving a good start to life to the youngsters of the school.

Brian is inspired by the inspirational Headteacher Laura Martin, her Deputy Yolanda Steward and the amazing team of teachers and staff. He feels privileged to be able to work with this Southfields family.

Brian ensures the school is run smoothly, is a critical friend and is always available if any member of the staff needs to discuss an issue, in confidence, whether it is about a school or personal issue.

He is proud to be a member of this amazing school.

Vision

Children of all abilities should have the best education available in a safe and caring environment. They should have an enjoyable school life benefiting from excellent teaching and enjoy a wide range of opportunities, in school or on outside trips, to develop their talents, skills and help them live their dreams.
