

Southfields Primary School

Sports funding 2024-25 Southfields Primary School PE and Sport Premium Strategy

Overview of Southfields Primary School's strategies for improving pupils' PE and sport participation and attainment and giving pupils the opportunity to develop a healthy, active lifestyle

Purpose of the premium

The Sports Premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils to encourage the development of healthy, active lifestyles.

We must use the funding to make additional and sustainable improvements to the quality of the PE, sport and physical activity they provide (As outlined in the DFE guidance).

This means we use the PE and sport premium to:

- **build capacity and capability within the school to ensure that improvements made now are sustainable and will benefit pupils joining the school in future years.**
- **develop or add to the PE, sport and physical activity that your school provides.**

Key indicators

PE and sport premium will be used to secure improvements following these 5 key indicators:

- 1. Increased confidence, knowledge and skills of all staff in teaching PE and sport.**
- 2. Increased engagement of all pupils in regular physical activity.**
- 3. The profile of PE and sport is raised across the school as a tool for whole school improvement.**
- 4. Broader experience of a range of sports and physical activities offered to all pupils.**
- 5. Increased participation in competitive sport.**

We would not use the money to:

- employing coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these come out of schools' core staffing budgets
- build up time to reach the minimum requirements of the existing PE curriculum.

Academic Year 2024 –2025		
Total PE academic year 2024 -25	Sports funding October 2024 - £12,268 April 2025 - £8,762	£21,030

At Southfields Primary School, the PE and Sports funding is spent in a variety of ways with the direct and explicit aim of making additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles.

PE and Sport Improvement Strategy 2024-25	Amount (£)	Description	Evidenced Impact
CPD External Training courses	£148	<ul style="list-style-type: none"> Allowing PE lead to attend CPD courses. 	Important information disseminated to all school staff to improve understanding, confidence and knowledge of PE teaching.
CPD online training and resources	£4929.09	<ul style="list-style-type: none"> Essential repairs that have been carried out to maintain school equipment. Orienteering course YDP involvement 	Equipment is fit for purpose and aids teaching. The permanent orienteering course has been used for several cross-curricular purposes and special events throughout the year.
CPD external coaches	£4636.66	<ul style="list-style-type: none"> Youth Development Project (YDP) to support ECT staff. 	ECT staff have been able to team teach with an experienced coach to build their confidence and knowledge.
Extra-curricular activities	£3467.55	<ul style="list-style-type: none"> Variety of staff and coach led after school and lunch clubs. Trip to the ice-rink to watch performance. 	Pupil premium children were taken to watch a performance on ice at the local ice rink to inspire them to try new things. A variety of clubs were offered to encourage children to try different means of physical activity.
Swimming lessons	£2200	<ul style="list-style-type: none"> Use of deep water pool at Stanground Academy for KS2 children. 	Children built on their water confidence and stroke technique in the safety of a deep water pool with life guards and qualified swimming

			teachers. 40% of the cohort reached 25m confidently. 64% can use a range of strokes effectively and self-rescue safely.
Active travel	£135.40	<ul style="list-style-type: none"> • Walk to school week incentives. • History/PE joint incentive project. 	Children were encouraged to walk/scoot/cycle to school and those that did were rewarded. We encouraged the children to explore the local area using the Peterborough Green Wheel to celebrate its anniversary and write a story about this. Prizes were given out.
Equipment and resources	£2022.16	<ul style="list-style-type: none"> • Resources for us within PE lessons and clubs. 	Resources were bought to ensure lessons were well taught and children could enhance their skills.
Membership fees	£240	<ul style="list-style-type: none"> • Youth Sport Trust membership 	Resources on this online platform are used to support our planning.
Educational platforms	£750	<ul style="list-style-type: none"> • Planning framework and schemes of work from Complete PE subscription. • OAA online resources. 	This allows teachers to plan well thought out, progressive lessons and to adapt plans to fit their classes. Our online access to OAA resources allowed the orienteering course to be used all year round and adapted for special events such as football tournaments, Children In Need and Red Nose Day.
External activities linked to School Games organiser network	£10	<ul style="list-style-type: none"> • Transport for children to participate in events. 	Children in years 3-6, both boys and girls thoroughly enjoyed participating in an inflatable football competition.
Inter-school sports competitions	£172.80	<ul style="list-style-type: none"> • Netball and Football leagues for year 5 and 6 children. 	Boys and girls in years 5 and 6 participated in local football and netball leagues, they travelled to other schools as well as playing at our own school. They enjoyed the league and the competitive element.
External coaching staff	£2318.34	<ul style="list-style-type: none"> • YDP support. 	YDP was used to support ECT teachers, PE lead and lunch after school clubs.
Total Expenditure	£21, 030		

How the improvements made will be sustainable in the future:

- Items that are ordered are tried to be done in bulk to save deliveries and postage.
- The use of CPD will help staff to be confident teaching PE once the funding is not available anymore.
- School events will inspire children to take up more physical activity and try different sports.
- Buying equipment that is durable and long lasting will help us to build stock that can be used in years to come when the funding may be withdrawn.
- Where items are purchased, we will try to use eco-friendly materials that support the work of our healthy schools.
- We hope that the legacy of the sports funding will support our pupils and community in the future with healthy minds and lives.
- Exposing children to a variety of different clubs and experiences in the hope they continue to be physically active in a variety of forms as they grow up.
- Continue to build strong links with the local community, to increase participation in competitive sports.

We will purchase resources and online training through 'Complete PE' in PE/Sports to support raising confidence, knowledge and skills.

We will encourage engagement of pupils to take part in regular physical activities by offering exciting lunch times, playtimes and clubs beyond the school day.

We intend to broaden horizons through introducing new sports to the children such as climbing walls and golf. We also run 2 residential visits with active activities for our pupils. We access the local deep pool and achieve the 25m and offer catch up sessions for those who need them.

We have an active healthy school committee and we promote events for parents and families to promote healthy life styles.
